### Blog Projects

Point Scale	LOW	HIGH
	5	10

### How To Submit?

■ Step 1

Submit your topic idea through the **Monday project submission form**

■ Step 2

After approval of the topic, create your blog draft, then upload the document as a comment on the approved topic task in Monday. It will be reviewed for structure and grammar

■ Step 3

After passing Review A, you will upload your blog to maker.io and insert a special code given to you as the first line of text. Once uploaded, respond back in Monday the link to the blog.
